

Kemcare Technologies (Pvt) Ltd

Company Profile

www.kemcare.lk

About Us

Established : 2015

Head Office : Colombo, Sri Lanka

Certification : Proudly Certified as a **Great Place to Work™** in Sri Lanka, effective September 2025 — a recognition of our positive workplace culture, employee engagement, and team excellence.

Who We Are

- A leading supplier of specialty ingredients for the personal care, home care, and industrial sectors in Sri Lanka.
- Recognized for technical excellence, customer trust, and strong partnerships with globally renowned chemical manufacturers.
- Operates as a technology-driven solutions provider, delivering formulation support, technical training, and market insights to clients.

Our Business Scope

- Supply of raw materials and active ingredients for:
 - Skin care & hair care
 - Home care & detergents
 - Industrial cleaning
 - Specialty applications (food, rubber & coatings – emerging sectors)
- Expertise in formulation design, product development, and application testing.
- Efficient warehousing and logistics ensuring on-time islandwide delivery.

Our Vision

To be the most trusted partner locally and globally, building impactful partnerships that uplift the communities we serve.

Our Mission

To deliver exceptional technical solutions with integrity, excellence, and responsible care, becoming the most trusted partner for industries worldwide.

Our Values

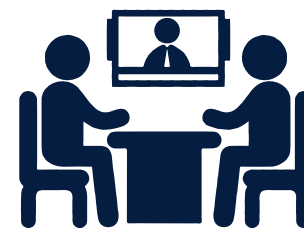

Integrity

We build trust through transparency, honesty, and accountability in everything we do.

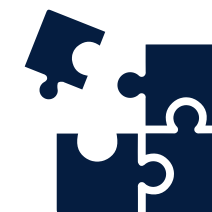

Quality First

Every ingredient we deliver meets the highest global standards for safety, consistency, and reliability.

Customer Focus

We offer tailor made solutions keeping our clients at the center of every decision—we succeed when they succeed.

Innovation

We embrace new ideas, technologies, and processes to stay ahead and bring smarter solutions to our clients.

Responsibility

From compliance to community impact, we act responsibly to create long-term value for people and businesses.

Our Products

Personal Care

Innovative specialty ingredient supplier for Sri Lanka's skin care and hair care industries.

Home Care

Supplier of advanced ingredients for Sri Lanka's home cleaning and fabric care industries.

Food Additives

High-performance additives that enhance flavor, texture, and shelf life.

Fragrance

Provider of premium French fragrances for personal and home care, blending elegance, quality, and lasting appeal.

Global Presence

Kemcare Technologies partners with world-renowned principals to bring advanced specialty ingredients to Sri Lanka. Our global network ensures access to high-quality, innovative solutions across personal care, home care, and industrial sectors.
